SELECTIVE SERVICE CONFIRMATION OF REGISTRATION PROCESS

Our training program includes the San Diego Veterans Affairs Medical Center as a participating site. In order to train or work at a Veterans Health Administration facility, resident and fellow physicians in ACGME-accredited programs and paid employees must provide evidence of registration in the Selective Service program, or evidence of exempt status issued by the Veterans Affairs' Office of Academic Affiliations (OAA) through a Status of Information letter.

Requirement: According to federal law, a man must register with Selective Service within 30 days of his 18th birthday. Selective Service can accept a late registration, but not after a man has reached his 26th birthday. Please reference the attached documentation issued by the VA regarding this requirement.

Registration exemptions include:

- Males born on or before December 31, 1959
